## SORGHUM BOARD PANELS

Sorghum Board is a lightweight and durable sheet product made from reclaimed sorghum stalks, a by-product of the food industry that is often burned or thrown into landfills. Sorghum Board is a great substitute for wood in furniture, cabinetry, casework, signage, and wall panels.

## GENERAL INFORMATION

- Lightweight and durable
- Panels come unfinished
- Stocked in the US
- Sheet size: 3' x 6'
- Thickness: 10mm or 20mm
- Applications: residential or commercial furniture, cabinetry, casework, signage, and wall panels

## SUSTAINABILITY

- Made from rapidly renewable resource
- Post-industrial recycled content

## INSTALLATIONS
